Lynda.com is an online video library, offering video tutorials on a range of topics including software packages, 3D and animation, audio, video and the web. All tutorials are unavailable to download but may be streamed online. Lynda tutorials are available on campus as well as from home.

Student Access for Lynda.com

There’s now an easier way to login to Lynda.com using your Student Gmail account.

Logging into Lynda:

On Campus

- Open a Google Chrome web browser and visit https://www.lynda.com
- Select Sign in

- If you haven’t already signed into your Student Gmail Account you will be redirected back to the Google Login screen. This redirection notice will be displayed. Select Go.

- Sign in with your Student Gmail Account details.

Off Campus

- Open a Google Chrome web browser and visit https://www.lynda.com
• Select Organization Login
• Enter student.sae.edu.au and select Go

You will be redirected to the Google Login screen.
• Sign in with your Student Gmail Account details.

eg. 123456@student.sae.edu.au

You have logged in correctly when you see your name in the top right hand corner of the Lynda screen.

Search Lynda:

There are a number of ways to search Lynda.
• You can search via the dropdown browse the library menu and select a broad subject or drill down to narrower subjects.
• If you’d prefer to type in a search you can use the search tool shown below to type a course, author or subject:

Refining your results:

Select the skill level option suited to your learning requirements

Refine by particular software packages.

Click to display videos with closed captioning

Select the way the list appears by selecting the appropriate icon.

Remove filters by selecting the X

Viewing results:

Scroll over the video for a short description of the tutorial.
Search for particular terms within your course for locating particular sections of the tutorial.

Select links to skip to specific areas of the tutorial

- Create playlists for topics of interest.
- Exercise files are also available for some of the tutorials.
- Share tutorials of interest with others via email. **Please note:** To access the tutorial the receiver must be a staff or student of SAE with an active account or have a subscription to Lynda.

A transcript of each section of the course is also available.

Look out for FAQs about the tutorial for further information regarding the course.

Details of the course including description, date uploaded and degree of difficulty.
